Minnesota Lions Helen Keller Award

In 1925, Helen Keller challenged the Lions to become knights of the blind in the crusade against darkness. As a tribute to this inspirational woman, Minnesota Lions created the Helen Keller Award. The award is an excellent way to honor an exceptional Lion, Lioness, non-Lion individual, business or organization. Recipients are typically persons or groups who have distinguished themselves on behalf of sight and who see and care for the needs of those less fortunate than themselves.

A \$1,000 donation to the Minnesota Lions Vision Foundation allows the donor to present a Helen Keller Award. The award recipient receives a beautiful plaque and pin. The recipient's name is put up on the Helen Keller award board in the University of Minnesota's ophthalmology clinic. Both the donor and the recipient have the satisfaction of supporting worthwhile Lions projects.

Donations help the Minnesota Lions Eye Bank, the Fund to Prevent Blindness in Infants and Children, the MAC Center, and other Vision Foundation endeavors. Donations can be in the form of a one-time payment or cumulative donations to equal \$1,000.

Minnesota Lions Eye Bank established the Helen Keller Sight Award in 1992. Since then, more than 3,000 awards have been given to those who demonstrate a caring and commitment to their communities or to the Lions sight mission.
